QUALITY POLICY

Mod. 001/Proc.530

Rev.00

Date: 12.09.24

Menichetti Glues & Adhesives S.r.l. is specialized in the “**Development, production, and sales of protein-based organic adhesives, vinyl adhesives, and complementary products.**” The company maintains a Quality Management System compliant with the UNI EN ISO 9001 standard, integrated with the FSC system for the production and commercialization of heat-sealable products, allocating all necessary resources for continuous improvement with a focus on system integration.

The corporate vision of Menichetti Glues & Adhesives S.r.l. aims to achieve maximum internal satisfaction regarding employee engagement, well-being, and a positive corporate climate, as well as external satisfaction in terms of customer relationships.

The company has a technologically advanced production facility where highly professional and skilled personnel work, continuously updated to adequately support the various needs of its customers, offering effective and innovative solutions.

This approach, combined with constant quality control of procurement and production activities, represents a strength for Menichetti Glues & Adhesives S.r.l.

The management sets periodic and strategic objectives, pursued through the constant involvement of personnel and the adoption of core principles such as

Professionalism, competence, and responsibility

Teamwork

Continuous improvement of system effectiveness

Innovation, reliability, and product customization

Technical assistance and prompt delivery

Optimization of supplier relationships

Ongoing research on raw materials

Exploration of new market opportunities

Menichetti Glues & Adhesives S.r.l. pays the utmost attention to the needs and expectations of customers and the entire organization, as well as to applicable standards and regulations. It implements appropriate management of risks and opportunities that may influence the compliance of products produced and marketed, with a broader perspective of corporate safeguarding.

Menichetti Glues & Adhesives S.r.l. pursues quality in every stage of every process, involving each employee in achieving the set objectives.

The management periodically ensures that this policy is suitable for the company's goals and context, implemented, and shared at every organizational level, setting objectives for continuous improvement and customer satisfaction.
